**DAVIDSON, NC** -- The Davidson Police Department (DPD) responded to a See Something, Say Something anonymous tip reported at the Community School of Davidson (CSD) earlier this evening. At this time, it has been determined by the DPD that there is no threat to the community. All students and staff that were present at the school were released without incident approximately thirty minutes after the officers arrived.

The DPD responded to a See Something, Say Something anonymous tip at 404 Armor Street. According to the limited information provided, the possibility of an armed subject at this location related to a non-school incident was determined. Davidson Police Officers and the CMPD Air Unit responded within minutes and were on site to conduct an internal search of the school and external search of the school property's surrounding areas.

Davidson Police Department plans to increase their presence at the Community School of Davidson in the coming days as an added safety precaution.
